Oh these girls, these girls
Get 'em behind me

Cover up cold for the love of God
I can't not look, I can't not look
And I can't do a thing about what I saw
Though I wish I could, I wish I could

Oh these girls, these girls
Get 'em behind me

Oh these girls, these girls
Get 'em behind us

Stripped down messy it's eleven am
I'm gonna wake up soon, I'm gonna wake up soon
I bet you say that to all of the dreaming men
That get lucky with you, get lucky with you

Oh these girls, these girls
Get 'em behind us
Get 'em behind us

Too real, too quick, too close to home,
Too much to take the task alone
Can I have just a little taste
Too hot, too sweet, too bad and too...

Oh these girls, these girls
Get 'em behind us

Oh these girls, these girls
Get 'em behind me

Thrown away cold like a wisp of smoke
That I could've inhaled, maybe could've inhaled
And I sing your praises everywhere I go
Such a pretty girl, such a beautiful girl

Oh these girls, these girls
Get 'em behind us

Get 'em behind us
