About a year from now
I wake up in
The arms of who i want
Without the need to hide our nakedness
in pure and holy thought
And by the blessing thrice
The shutters never closed
The bed still made
The early afternoon as morning mmm's
Hey are you awake?
You take my love and my lust
cold clock my mind ahhh
Turn in my keys to the kingdom
Let not my body die
You are, you are, you are to me
like a very very wild thing
These are to me the games i play
Before i herad they were insane
To play you are to me
like a very very wild thing
About a year from now
I say goodnight and kiss kiss kiss the phone

To sleep the sleep of one
Who finally wouldnt rather sleep alone
You take my love and my lust
Cold clock my mind ahhhh
Turn in my keys to the kingdom
Let not my body die
You are, you are, you are to me
Like a very very wild thing
These are these are to me the games i play
Before i heard they were insane
to ply you are to me
Like a very very wild thing
You take my love and my lust
Cold clock my mind ahhhh
Turn in my keys to the kingdom
Let not my body die
You turn my blood as it boils
Plays it clean
I wash my fear away

God if i dont stop now
I know this wont be half of what its gonna take
You are, you are, you are to me
Like a very very wild thing
