Walking down Sunset Boulevard
And I see it's a masquerade
21 with your long brown hair
And those eyes oh those eyes oh your eyes
Let me take you to another place
Far away, from the city lights
Cause I need just a little more time than this city can
buy

And I want you so bad
And I know that it's wrong
But I can't keep myself away
From your body
You won't stop me
Not this time
Cause it's chemistry, body chemistry

Hollywood is a fairytale
Full of love for money
Let me show you the feelings I get
When I think of us leaving this city behind

And I want you so bad
And I know that it's wrong
But I can't keep myself away
From your body
You won't stop me
Not this time
Cause it's chemistry

In the corners of my mind
You'll be waiting
And I can't hold back this time

Cause I want you so bad
And I know that it's wrong
But I can't keep myself away
From your body
You won't stop me
Not this time
Cause it's chemistry

And I want you so bad
And I know that it's wrong
But I can't keep myself away
From your body
You won't stop me
Not this time
Cause it's chemistry, body chemistry
Oh, it's chemistry, body chemistry
