Oh, no no no
She's some kind of love
In the morning, when I wake up
She is in me, yeah, she is in my head
Driving me crazy
In a day dream, or was I sleeping
She is in me, yeah, she is in my mind
It's feeling so crazy, alright now
Pre-chorus
You got me shivering
Yeah, I, I
I looked into your eyes
Chorus
She is, she is, she is, she is, she is amazing
It's driving me crazy, my body can't take it
Oh no
She is, she is, she is, she is driving me crazy
I don't want to play these games, I'm just
gonna say it
I guess it's some kind of love
Oh, no no " She's some kind of love
Verse 2
In the whisper of
Sweet surrender, this is happening
Am I dreaming, it's feeling so crazy
Pre-chorus
You got me shivering
Yeah, I, I
I looked into your eyes
Chorus
She is, she is, she is, she is, she is amazing
It's driving me crazy, my body can't take it
Oh no
She is, she is, she is, she is driving me crazy
I don't want to play these games, I'm just
gonna say it
I guess it's some kind of love
Oh, no no " She's some kind of love
