Oh...

How'd you mean

What do you mean you're not coming by

I called you later and you were outside

It always screams screams inside my head

Curtains closed you'd be beside my head

You were always down for it

Get in this getaway and be running from it

Yeah, you were always down for it

Get in this getaway and be running from it

You're giving me the coldest stare,

Like you don't even know I'm here,

Why don't we turn the leaf? Why don't we turn the

Why don't we turn the

Leaf/Why don't we turn the } x2

What you've done, what you've done you can't keep
inside

By the end of the night I'll help you confide

Cause I can see, see your sad self

Cause I can see you're not being yourself

Cause usually you're down for it

Can't hold back a smile when you try for it

Yeah, cause usually you're down for it

Can't hold back a smile when you try for it

You're giving me the coldest stare,

Like you don't even know I'm here,

Why don't you let me sing? Why don't you let me

Why don't you let me

Sing

Why don't you let me } x2

Whatever you've done, However bad, Hold on hold on
hold on

Whatever you've done, However bad, Hold on hold on
hold on

Whatever it is, However bad, Hold on hold on hold on

Hold on hold on hold on hold on
Why don't... x3
