Boy I (I) need me a gold (gold) crown. (x4)

We on a mission. Dust the stars. Light through dark.  
Blue. Gold. Shine. Fly.  
Seated at the opposite so you can see there is no time.  
Breath slow. Be low.  
Capacity is unfulfilled take the (take the) lead you will.  
Head raised. Un-caged.  
More to do there's more for you.

All I see is you. Stars. Open arms. Pharaohs. God.  
Golden.  
All I see is you. Stars. Open arms. Pharaohs. God. Kings  
and queens.

Beyond a system shaped with our gold radar.  
Fools. Know. Bright. Eyes.  
Rested at the opposite when you can really see through  
minds.  
Be slow. Real glow.  
Boy don't seem the fire will. Taste of what you feel.  
Head raised. Un-caged.  
More to do there's more for you.

All I see is you. Stars. Open-arms. Pharaohs. God.  
Golden.  
All I see is you. Stars. Open-arms. Pharaohs. God. Kings  
and queens.

Breath slow. Be low.  
Capacity is unfulfilled take the lead you will.  
Head raised. Un-caged.  
More to do there's more for you.

I (I) need me a golden crown. (x4)

All I see is you. Stars. Open arms. Pharaohs. God.  
Golden.  
(Wide open. Pharaohs, yeah they guide me.)  
All I see is you. Stars. Open arms. Pharaohs. God. Kings  
and queens.

(Wide open arms with golden...)

All I see is you. Stars. Open arms. Pharaohs. God.

Golden

(Wide open. Pharaohs, yeah they guide me.)

All I see is you. Stars. Open arms. Pharaohs. God. Kings
