The headless samurai of Oatmogie, Oklahoma  
He's a crazy mother fucker who just woke from a coma  
He's screaming and he's dreaming and he just can't  
get to bed  
He's a man on a mission yeah he's got to get a head

But his head's in Pasadena in a pipe shop in the mall  
And his skin has been removed and he has no brain's  
at all  
His head's a candleholder on sale for twenty bucks  
And there's a goofy kid named Freddy and he couldn't  
give a fuck

That the headless samurai of Oatmogie, Oklahoma  
A crazy mother fucker whose heart has turned to  
stonea  
He's crazy and obsessed and his pencil's full of lead  
He's a man on a mission yeah he's got to get a head

But his head's in Freddy's living room on his fucked up  
TV set  
He's smoking dope out of a coke can and he's lighting  
up a cigarette  
He's checking out his purchase with it's bony toothy  
grin  
]and he swears that candleholders staring back at him

And he's getting a little freak out but he says it's just  
the pot  
So he blows it off and goes to bed after smoking quite  
a lot  
And sometime in the morning maybe three thirty of  
four  
He hears a loud noise on his patio and then someone's  
at the door

It's the headless samurai of Oatmogie, Oklahoma  
And now that crazy mother fuckers come to get just  
what he wantsa  
He's screaming and he's woken freaked out Freddy  
from his bed

Cause he's a man on a mission he's just got to get ahead

So Freddy's pretty paranoid but invites the stranger in  
Even though it's getting late and he doesn't have a head  
But the samurai sees his barren skull and he screams that fuckers mine  
And Freddy says easy homie you can have just unwind

I see you've lost your head I've done the same it's no big deal  
Just smoke this crazy north slope trip weed and then see how you feel  
He did and felt much better and they chilled and drank some wine  
And they talked about the future and they listened to some tunes

And that's how the headless samurai from Oatmogie, Oklahoma  
Got his head back even though it's just a big old hairless bone ah  
He's laughing and he's chilling and he's higher than a kite  
And he doesn't have to get a head and everything alright
