Two brothers not speaking for two years now
Can't even remember what they're fighting
about
It might be the snow fall or the glow of those lights
But both say that they're sorry
end up talking
all night
Hallelujah! There's forgiveness in the wind
Hallelujah! It's time to let go and let the love in
Christmas is comin' around again

There's a mom and a daddy who split up last July
Two houses, three kids now they're splitting up
time
Comes over for dinner
Ends up sticking around
Around the table they're laughing
Hey, they might work it out
Hallelujah! There's forgiveness in the wind
Hallelujah! It's time to let go and let the love in

Christmas is comin' around again
Oh there's something 'bout this time of year
And makes you wanna start living right now, right here
He opens the door and walks inside. The choir is
singing silent night
He hadn't been in this place since he turned 18
Heard the story of a baby born a king sent here to save
us from everything. It hit him straight in his heart and
He fell to his knees

Hallelujah! There's forgiveness in the wind
Hallelujah! It's time to let go and let the love in
Hallelujah! There's forgiveness in the wind
Hallelujah! It's time to let go and let the love in
Christmas is comin' around again
Christmas is comin' around again
