December hasn't changed  
This town looks the same  
They still light that tree in the city square  
There's red, white, and green shining everywhere  
And I wish you were here  
And I wonder.....

Is the snow falling down on the streets of gold  
Are the mansions all covered in white  
Are you singing with angels silent night  
I wonder..... what Christmas in Heaven is like

There's a little manger scene  
Down on Third and Main  
I must've walked right by it a thousand times  
But I see it now in a different light  
'Cause I know you are there  
And I wonder.....

Are you kneeling with shepherds before Him now  
Can you reach out and touch His face  
Are you part of that glorious holy night  
I wonder..... What Christmas in Heaven is like

Is the snow falling down on the streets of gold  
Are the mansions all covered in white  
Are you singing with angels silent night  
Oh I wonder.... What Christmas in Heaven is like
