I know I'm still young
But, I know how I feel
I might not have too much experience
But, I know when love is real.

By the way my heart starts pounding
When I look into your eyes
I might look a little silly
Standing with my arms stretched open wide.

I love you this big
Eyes have never seenâ€¦ this big
No-one's ever dreamedâ€¦ this big
And I'll spend the rest of my life
Explaining what words cannot describe but, I'll try
I love you this big

I'll love you to the moon and back
I'll love you all the time
Deeper than the ocean
And higher than the pines.

Cause girl, you do something to me
Deep down in my heart
I know I look a little crazy

Standing with my arms stretched all apart.

I love you this big
Eyes have never seenâ€¦ this big
No-one's ever dreamedâ€¦ this big
And I'll spend the rest of my life
Explaining what words cannot describe but, I'll try
I love you this big

So much bigger than I ever dreamed my heart ever
would
I love you this big
And I'd write your name in stars across the sky
If I could, I would

I love you this big

Oh, eyes have never seenâ€¦ this big
No-one's ever dreamedâ€¦ this big
And I'll spend the rest of my life
Explaining what words cannot describe but, I'll try

I love you this big
Oh, eyes have never seenâ€¦ this big
No-one's ever dreamedâ€¦ this big
And I'll spend the rest of my life
Explaining what words cannot describe but, I'll try
I love you this big
