I saw her standin' on the corner
Yellow ribbon in her hair
I couldn't keep myself from shoutin'
Look a there, look a there, look a there, look a there
Young blood, young blood, young blood
I can't get you out of my mind
I took one look and I was fractured
I tried to walk but I was lame
I tried to talk but I just st-st-stuttered
What's your name, what's your name, baby?
What's your name, what's your name?
Young blood, young blood, young blood
I can't get you out of my mind
What crazy stuff, she looked so tough
I had to follow her all the way home
Then things went bad, I met her dad, he said
"You better leave my daughter alone"
I couldn't sleep a week for trying
I saw the rising of the sun
And all night long my heart was crying
You're the one, you're the one, you're the one, you're
the one
Young blood, oh, young blood, young blood
I can't get you out of my mind
I said young blood, I said baby, young blood, oh young
blood
I can't get you out of my mind, young blood
