He was an ex-highway patrol man, collected guns and
had a farmer's tan
Strong as an ox, mean as a bull
You should have seen his face when he met this fool
I walked in with tattoos on my arm, was hand in hand
with his first born
She said, "Daddy, I'd like you to meet the love of my
life who wants to live with me."

Love's a funny thing
When it brings two souls together that should never be
And I'll tip my hat to the ones who made the stars align
that brought you to me
Love's a funny thing

Took some time to figure out
how to get the old man to come around
He couldn't see what you saw in me, and I was just as
stubborn as he could be
That all changed in just one day, when a little baby girl
came my way
Just one look and grandpa knew just what love had
been up to

Love's a funny thing
When it brings two souls together that should never be
And I'll tip my hat to the ones who made the stars align
that brought you to me
Love's a funny thing
