You know, boy
You're so busy reaching for a dream
That doesn't even exist
You can't even see someone
Who's standing right here
Who loves you so much
And I've tried
Oh I've tried
But I want you to still know this
That all you got to do is reach out for me
And I'll be there
Anytime you want me
Chorus
All through the night
Lay your head on my shoulder
You can make love to my mind
And if you feel the magic
Don't be afraid
Quit searchin'
Anticipatin'
Stop reachin'
For that distant star
I been waiting
Boy don't pass the moment
The light's right before your very eyes
Repeat chorus
Quit searchin'
Quit dreamin'
You're so mistaken
A perfect stranger
Will never call
Stop wishin'
If you want let good be
Me waiting at your door
Repeat chorus twice
Stop searchin', boy
Stop searchin'
Stop searchin', yeah
Stop searchin', oh yeah
Why don't you stop it
Quit searchin', anticipatin'

Stop searchin'
For that distant star
I've been waitin'
Boy don't pass the moment
The lights right before your very eyes
Repeat chorus
All through the night
Feel my head on your shoulder
You can make love to my mind
And if you feel the magic
Don't be afraid
STOP SEARCHIN'
STOP SEARCHIN'
STOP SEARCHIN'
STOP SEARCHIN'
STOP SEARCHIN'
Cause I'm right here.
