I've known about you for a while now  
When he leaves me he wears a smile now  
As soon as he's away from me  
In your arms is  
Where he wants to be  
But you're the one he rushes home to  
You're the one he gave his name to  
I never see his face in the early mornin' light  
You have his mornin', his daytimes, and sometimes I  
have his nights

CHORUS:

But does he love you  
Does he love you  
Like he loves me  
Like he loves me  
Does he think of you  
Does he think of you  
When he's holdin' me  
And does he whisper  
Does he whisper  
All his fantasies  
Does he love you  
Does he love you  
Like he's been lovin' me  
But when he's with me he says he needs me  
And that he wants me  
That he believes in me  
And when I'm in his arms, oh,  
He swears there's no one else  
Is he deceiving me  
Or am I deceiving myself

\*\*CHORUS\*\*

Oh, shouldn't I lose my temper  
Oh, and shouldn't I be ashamed  
Cause I have everything to lose  
And I, I have nothing to gain

\*\*CHORUS\*\*

Oh, does he love you?
