This won't be easy,
You'll think it's strange.
When I try to explain how I feel -
That I still need your love
After all that I've done.
You won't believe me.
All you will see is a girl you once knew,
Although she's dressed up to the nines -
For sixes and sevens with you.
I had to let it happen.
I had to change.
Couldn't stay all my life down at heel.
Looking out of the window,
Staying out of the sun.
So I choose freedom.
Running around, trying everything new.
But nothing impressed me at all.
I never expected it too.
Don't cry for me, Argentina.
The truth is I never left you.
All through my wild days
My mad existence
I kept my promise, don't keep your distance.
And as for fortune,
And as for fame,
I never invited them in -
Though it appeared, to the world,
They were all I desired.
They are illusions,
They're not the solutions they promised to be.
The answer was here all the time.
I love you, and hope you love me.
Don't cry for me, Argentina.
The truth is I never left you.
All through my wild days
My mad existence
I kept my promise, don't keep your distance.
