Barbra
It's raining, it's pouring
My lovelife is boring me to tears, after all these years
Donna
No shunshine, no moonlight, no stardust, no sign of
romance
We don't stand a chance
Barbra
I've always dreamed I found the perfect lover
But he turned out to be like every other man
Both
Raining (raining)
Pouring (pouring)
There's nothing left for us here
And we won't waist another tear
Donna
If you've had enough, don't put up with his stuff, don't
you do it
Barbra
If you've had your fill, get the check pay the bill, you
can do it
Donna
Tell him to just get out,
Barbra
Nothing left to talk about
Donna
Pack his raincoat show him out
Both
Just look him in the eye and simply shout:
Enough is enough
I can't go on, I can't go on no more no
Enough is enough
I want him out, I want him out that door now
Enough is enough
Enough is enough
That's enough
Donna
If you've reached the end,
Don't pretend that is right when it's over
Barbra
(it's over)

If the feeling is gone don't think twice just move on, get
it over

Donna

(over, over)

Both

Tell him to just get out, say it clearly, spell it out:

Enough is enough is enough

I can't go on, I can't go on no more no

Enough is enough is enough

I want him out, I want him out that door now

Enough is enough

Enough is enough

That's enough

Barbra

I've always dreamed to find the perfect lover,

But he turns out to be like every other man

Our love (I had no choice from the start)

Our love (I've gotta listen to my heart)

Our love (tearing us apart)

Enough is enough is enough

I can't go on, I can't go on no more no

Enough is enough is enough

I want him out, I want him out that door now

Enough is enough

Enough is enough

That's enough

Both

No more tears (no more tears)

No more tears (no more tears)

No more tears (no more tears)

No more tears (no more tears)

Enough is enough is enough is enough is enough is
enough

I've had it, you've had it, he's had it, we've had it

Donna

I always dreamed I find the perfect lover,

Barbra

But he turned out to be like every other man

Both

I had no choice from the start

I've gotta listen to my heart

Tearing us apart

Enough is enough is enough

I can't go on, I can't go on no more no

Enough is enough is enough

I want him out, I want him out that door now

Goodbye mister, goodbye, goodbye mister

Goodbye sugar

It's raining, it's pouring

There's nothing left for us here

And we won't waist another tear

No more tears
Is enough is enough is enough is enough is
enough is enough
Is enough!
