"On My Honor"

Here I am
On my own again
The day rush by
The nights all seem so slow
Guess I've let you down
In my way, some how
If you take me back
I know we'll make it
We'll make a promise
And then break it
Chorus
On my honor
I will try
Always do
The best I can
Though the tears
May fall like drops
From my eyes honey
On your honor
I will try
If you want me to be strong
I'll give it everything I have
You'll never have to worry
Cause we're not in a hurry
On my honor I will try
It's a lover's dance
In a fiery chant
Don't be afraid
To face the
Music now
It's a gambler's chance
Not a lost romance
And I'm not you
And you're not me and
Sometimes we feel differently
Repeat chorus
I will try
I will try
I will try
I'll try
