There's more to question than answers
And sand will slip through your hands
And love is faster than lightning
So grab it while you can, mmmmm
We'll I've been searching forever
Between the bad and the good
But now I know what I'm missing
And I wanna make it with you
Chorus
One night in a lifetime/one life in a night (1)
One night in a lifetime/and babe it's gotta be
Tonight/babe it's gotta be tonight
One night in a lifetime/one life in a night
One night in a lifetime/and baby it should be
Tonight/baby it should be tonight
They say that love is a gamble
And luck will play a trick or two
But I'll risk all of my loving
I'd put my last buck on you
Repeat chorus (1) twice
One night in a lifetime
Repeat (1) & (2)
