"The Way We Were"

Memories
Light the corners of my mind
Misty water-color memories
Of the way we were
Scattered pictures
Of the smiles we left behind
Smiles we gave to one another
(Yesterday) for the way we were
Can it be that it was all so simple then
Or has time rewritten every line
If we had the chance to do it all again
Tell me how many of you would live your lives again
I would too
You girls?
Memories
May be beautiful and yet
What's too painful to remember
We simply choose to forget
And so it's the laughter
We will remember
Whenever we remember
The way we were
The way we were
