Really don't know why I'm here
This isn't my crowd, my scene
A boy dressed like Teen Wolf
Is pouring beer down a girl's back
His friends take photos
With Polaroid cameras
She sways drunkenly
And falls flat on her ass

I lost all my friends
Who are these people?
There's nothing for me here

Some girl I used to work with
Is stretched out on the cellphone
Her arms above her head
She's singing way out of tune

The DJ chews his lips
His eyes stare without seeing
My drink is warm below
Upstairs as she's sick on her shoes

I lost all my friends
Who are these people?
There's nothing for me here
Never be, I'll never be, I'll never be, I'll never be young
again
Never be, I'll never be, I'll never be, I'll never be young
again

But it's ok, I've got so much more,
I've got so much more than this.

In someone's brother's bedroom
On a dirty blue duvet
A boy and a girl start kissing
It's time for me to go.

I lost all my friends
Who are these people?
There's nothing for me here

Never be, I'll never be, I'll never be, I'll never be young
again
Never be, I'll never be, I'll never be, I'll never be young
again

But it's ok, I've got so much more,
I've got so much more than this.

I got so much more,
I got so much more,
I got so much more than this

I got so much more,
I got so much more,
I got so much more than this

I got so much more,
I got so much more,
I got so much more than this
I got so much more, I got so much more, I got so much
more than this
