I don't know where you go
Late at night
Late at night

I don't know what you see
When you cover your eyes
When you cover your eyes

I can tell you how it feels
It's so predictable

Was it worth it

It makes me feel so down.
Like i'm gona die
If we weren't at your parents house
I'd probably cry.

It makes me feel so down.
Like i'm gona die
I'll tell you for the last time
You best start treating me right.

My brother's huge
He's gona take care of you, take care of you

Don't tell me to calm down
I'm gona make a scene, make a scene

I'm can show you how it feels
That's so (?) despicable.

Was it worth it?

It makes me feel so down
Like i'm gona die.
If we weren't at your parent's house
I'd probably cry

It makes me feel so down.
Like i'm gona die
I'll tell you for the last time

It makes me feel so down.
Like i'm gona die
I'll tell you for the last time

You better start treating me right
Woah Oh
You better start treating me right
Woah Oh
You better start treating me right
