Hey all you beautiful people  
Don't let your life go by  
Spark it up, live it up right now!  
Hey all of you beautiful people  
Don't let 'em dim us down  
Don't let 'em dim you down!  
Spark it up, live it up right now!

Hmm, my identifications  
Been stolen and been taken...  
Barely cryptic while I'm singing this song for you  
Singing this song for you right now!  
So what you gonna do, baby?

Hey all you beautiful people  
Don't let your life go by  
Spark it up, live it up right now!  
Hey all of you beautiful people  
Don't let 'em dim us down  
Don't let 'em dim you down!  
Spark it up, live it up right now!

Watch where you step...  
... on my spot...  
... carrying loser that I...  
Go for creepy crawlers  
Spiderman, Peter Parker...  
Kingston London  
Now you're a New Yorker...

Hey all of you beautiful people  
Don't let 'em dim you down  
Spark it up, live it up all right!  
Hey all of you beautiful people  
Don't let 'em dim your life  
Spark it up, live it up all right!

Hey all of you beautiful people  
Don't let your life go by  
Spark it up, live it up all right!  
Hey all of you beautiful people  
Don't let your life go by

Spark it up, live it up all right!

Hey all of you beautiful people  
Don't let 'em your life dim down  
Spark it up, live it up all right!  
Hey all of you beautiful people  
Don't let 'em dim us down  
Spark it up, live it up all right!

Don't care if they doubt you  
Shine out, don't let 'em out you  
Don't care if they doubt you  
Shine out, don't let 'em out you  
Don't care if they doubt you  
Shine out, don't let 'em out you  
Don't care if they doubt you  
Don't care if they doubt you  
Shine out, don't let 'em out you

Spark it up, live it up all right!
