Id like to touch her skin  
I want to feel her pain  
So I touched her legs  
I touched her legs  
I  
I saw her every night  
And the stars were shining bright  
Knew I would (?)  
I want to hurt her now  
So I touched her legs  
I touched her legs  
I  
I just had to laugh  
At you  
I just had to laugh  
At you  
I just had to laugh  
At you  
I just had to laugh  
At you!  
And now Im left alone  
I want to touch her bones  
I want to hurt her now  
So I touched her legs  
I touched her legs  
I  
I met her every day  
And the sun was shining bright  
I just had to laugh  
Im playing with your brain  
So I touched her legs  
I touched her legs  
I  
I just had to laugh  
At you  
I just had to laugh  
At you  
I just had to laugh  
At you  
I just had to laugh  
At you  
At yooooooooou!

Hey!  
So I touched her legs  
I touched her legs  
I touched her leeee-eeegs  
I touched her legs  
I  
(Ah)  
(Ah)
