All i
All i want for christmas
All i want for christmas
All i want for christmas is you
All i
All i want for christmas
All i want for christmas
All i want for christmas is you

This christmas you wont have to spend no money on
me
What i really want is more special
Worth more than a diamond ring

I dont want no diamonds
I dont want no car
And i dont want a house and i dont want no paper
And i hope my wish comes true
All i really want for christmas is you

All i
All i want for christmas
All i want for christmas
All i want for christmas is you
All i
All i want for christmas

All i want for christmas
All i want for christmas is you

Im wishing on a star
Santa brings you here tomorrow

It's almost christmas day
16 hald hours away

All i can do is wait
I cant wait i cant wait

I dont want no diamonds
I dont want no car
And i dont want a house and i dont want no paper

And i hope my wish comes true
All i really want for christmas is you

All i
All i want for christmas
All i want for christmas
All i want for christmas is you
All i
All i want for christmas
All i want for christmas
All i want for christmas is you
