In my tummy know he love no i cant deny
I got him open like the us ayyye
No venus no serena just meee

Young los (rap verse)

Baby you can hit me up
Young 21 which you want
Ima put my tounge in that stuff
Used to mess with that pretty light skin
With the cute little toes
Didn't think she grow to be a hoe
You know
614 southside
Momma got the juice in my mouth dry
Looking so sexy and right
I cant get you off of my mind
Im thinking about sexing tonight
Thinking nice to the old niggas
Nigga im fly
Me an you together
We could shine
Rise to the top
The loving don't stop
When i look in your eyes baby my heart stop
Skip a beat baby love what i need

Baby love
Baby love
Baby love
Baby love

You're my everything
I'll die for you
You
You
You
You

Je vous aime peu importe que nous allons
Bien que votre princesse cherie pour toujours toujours
toujour
Everytime i hear his voice i get butterflies
In my tummy know he love no i cant deny
I got him open like the us ayyye
No venus no serena just meee

All my love come down on you and
All your love come up eruptin

All my love come down on you and
All your love come up eruptin
