[duet with Glen Campbell]

Every night I hope in pray a dream lover will come my way

Hold in the lovin' arms and know the magic of her charms

Cause I want (I want) a girl (a boy) just to call (to call) my own

I want a dream lover so I don't have to dream alone

Dream lover where are you with the love oh so true

And the hands that I can hold count the minutes as we grow old

Cause I want (I want) a girl...

Some day I don't know how I hope she'll hear my plea

Some way I don't know how she'll bring her love to me

Dream lover until then I'll go to sleep and dream again

That's the only thing I could do to make my lovin'

dreams come true

Cause I want (I want) a girl...

I want a dream lover so I don't have to dream alone

Dream lover don't wanna dream (I don't wanna dream alone)

Dream lover dream out dream out dream lover (I don't wanna) dream alone

Dream lover let's dream dream lover oh my lovin'

sweet dreams dream lover
