Ok Officer, I Admit it,  
I was speedin'  
But before you write me up  
Let me tell you the reason.  
I wasn't tryin' to out run you,  
I was chasin' a guy who outta  
The blue, he committed a crime  
Back about a mile or two.

I was crusin' along, when he  
Pulled up outta no where.  
He was hotter than the truck  
He drove, and just one lane over.  
He aimed those angel eyes at me,  
Smiled like we were ment to be.  
'For he stole my heart from a  
Moving car.

(CHORUS)

It was highway robbery, He  
Grabbed my heart and took  
Off on the run.  
It was highway robbery, he  
Oughta do time in my arms  
For what he's done.

So, hey officer, how 'bout  
You understandin', won't you  
Turn your blue light on and  
Help me catch that bandit.

He's got somethin' that  
Belongs to T. I can't let him  
Get away scott free, for it's  
Only right that he's mine tonight.

( REPEAT CHORUS x2)

He ought to do time in my  
Arms for what he' done.

(Spoken)

Hey officer  
Lets talk 'bout this, now  
By the time you let me go  
That boy'll be all the way in texas  
Sure is good lookin'  
By the way,  
What color are your eyes?
