Theres somethign on my chest  
I got to get it ioff  
Be a woman and tell him the truth  
I been sharing all my love with him2

When i said that i was out  
Baby  
I was with another man  
Holding someones elses hands  
I never told you the truth  
I cant imagine my life without you

But i see now i was wrong  
So i wrote this song  
Explaining all of my love  
He was just was just a fling  
We aint have nothing  
Can you please listen to me  
I cherish all the love you gave me  
All the things you did for me  
& everynight you held me  
& when i was with him  
You were on my mind  
Every second of it  
All of the tiime  
Love me  
Touch me  
Do it  
Like you used to (baby)  
Aint nothin change  
Boy im still the same  
Dont let this phase you  
Dont let this change you  
Aint never give him the time of day  
He never had a say  
I didnt love him babe  
Please beleive me  
When i say  
He was nobody  
To me  
I didnt love him2  
I only loved on you

I only want one thing  
& thats you  
With your kiss

& your touch  
& your lips & your love

Please forgive me baby  
I aint mean to hurt you  
I know i cause d some damage  
But i was just so frantic  
Afraid of love,  
Aint know the meaning  
Now i know the feeling  
Hurts  
But i see now i was wrong  
So i wrote this song  
Explaining all of my love  
He was just was just a fling  
He aint mean a thing  
Can you please listen to me  
I cherish all the love you gave me  
All the things you did for me  
& everynight you held me  
& when i was with him  
You were on my mind  
Every second of it  
All of the tiime (yeah)  
Love me  
Touch me  
Do it  
Like you used to (baby)  
Aint nothin change  
Boy im still the same  
Dont let this phase you  
Dont let this change you  
Aint never give him the time of day  
He never had a say  
I didnt love him babe  
Please beleive me  
When i say  
He was nobody  
To me  
I didnt love him2  
I only loved on you  
I only want one thing  
& thats you  
With your kiss  
& your touch  
& your lips & your love
