Jingle bells are ringing  
Everybody singing  
Dinner on the table  
Friends and family mingling

Xmas day is here  
Santa brought us gifts  
Sitting by the christmas tree  
We bringing out the year

The best time of the year  
Friends and family all are here  
We all unite as one  
We having fun  
Holidays at home

The best time of the year  
Friends and family all are here  
We all unite as one  
We having fun  
Holidays at home

We in the snow making snow angels  
So happy all the family came through  
Christmas time is here  
So thankful to be here

We in the snow making snow angels

So happy all the family came through  
Christmas time is here  
So thankful to be here

Let's get cozy by the fire  
Baby hold me tighter  
It can't get no better  
Love flowing everywhere

Holidays are here  
Everybody's there  
There's much joy in here  
Excitement in the air

The best time of the year  
Friends and family all are here  
We all unite as one  
We having fun  
Holidays at home

We in the snow making snow angels  
So happy all the family came through  
Christmas time is here  
So thankful to be here

We in the snow making snow angels  
So happy all the family came through  
Christmas time is here  
So thankful to be here
