It's been a Saturday everyday and a whole month of  
Sundays  
And I get sadder every day he's gone

Horseshoe Bend old friend that's been so long since  
we saw him  
When he laid me down upon your banks and made this  
girl a woman  
As the Virgin Mother sang us a song  
Horseshoe Bend he's just like you old river he'll keep  
rolling  
And I'll keep praying someday he'll come home  
It's been a Saturday everyday...

Here comes Frank again old friend and there ain't no  
sign of him  
But just because I can't see him don't mean I forgot  
him  
And I'll keep praying someday he'll come home  
It's been a Saturday everyday...  
[ guitar - steel ]  
Horseshoe Bend old friend that's been...  
It's been a Saturday everyday...
