(Pat Terry/Roger Murrah)

Well I was up all night well wonderin' what to do  
Thinkin' that I oughta just forget about you  
But it's a little too late  
Well it's a little too late  
When you walked in I shoulda walked out  
Well it's a little too late to do the right thing now

Well the whole town told me you're a heart break king  
Guess I oughta pay attention when they say those things  
But it's a little too late  
Well it's a little too late  
I know all my old buddies wanna help me out  
But it's a little too late to do the right thing now

Turn the jukebox up throw some sawdust down  
I'm too far gone to turn this heart around  
I may be wrong but I don't want out  
Well it's a little too late to do the right thing now

Turn the jukebox up throw some sawdust down  
I'm too far gone to turn this heart around  
I may be wrong but I don't want out  
Well it's a little too late to do the right thing now

I was up all night well wonderin' what to do  
Thinkin' that I oughta just forget about you  
But it's a little too late  
Well it's a little too late  
When you walked in I shoulda walked out  
Well it's a little too late to do the right thing now

I may be wrong but I don't want out  
Well it's a little too late to do the right thing now
