Baby can you put it on me tonight  
I been feinin for your love  
Oo baby put it on me tonight  
Put it on me like you never did before

I been feinin for more  
My bodys yearning  
My bodys yearin  
Been feinin like never before  
My bodys ready  
For you to make good love to me  
Cant no body put it on my like you do  
I like it like that boy you know i do  
Beat beat beat beat beat  
Hands on my waist i move you move  
I can feel your love coming down  
Ooo i can feel it i feel it

Baby can you put it on me tonight  
I been feinin for your love  
Oo baby put it on me tonight  
Put it on me like you never did before

(harlems cash verse)

I put it on you like a tatty  
Put on some teddy pendergrass and ask you are ready  
Lick my lips then lick your lips the ones that's oo so  
wetty  
Hands on my head ya nails digging in my neck  
See  
I just love the way ya ass jiggle  
As i nibble on that thing that god put in the middle  
Would i be wilding if i said ya pussy taste like skittles  
Maybe a little but my sweet tooth keeps it offical

Baby can you put it on me tonight  
I been feinin for your love  
Oo baby put it on me tonight  
Put it on me like you never did before

I must be lucky to be with you

No one has ever held me the way you do  
You're my baby my love  
Cant nobody work it like the way he does  
(i can feel you're loving coming down)

Baby can you put it on me tonight  
I been feinin for your love  
Oo baby put it on me tonight  
Put it on me like you never did before
