I was givin' up on givin' love another try  
But were easy on the heart  
And easy on the eye  
I wouldn't have believed it if I'd been told  
I'd have my very own angel to hold  
Like a warm blanket I can wrap around my soul  
You're good lookin'  
You're good luck  
You make me feel like a million bucks  
That's what your love does for me  
Like a child, a little wild  
And like everything I do is in style  
That's what your love does for me  
You look my outlook and you sure shook it up  
With a little bit of sweatness  
From your lovin' cup  
What was once half empty is now half full  
Now I'm an optimist, baby, dyed in the wool  
Ever since you gave my lonely heart strings a pull  
You're good lookin'  
You're good luck  
You make me feel like a million bucks  
That's what your love does for me  
Like a child, a little wild  
And like everything I do is in style  
That's what your love does for me  
You set the mood  
You set me free  
Like a prisoner with my own jail key  
That's what your love does for me  
Like a new dime  
Don't I shine  
Feels like every day with you is spring time  
That's what your love does for me  
Feel like a child  
I'm a little wild  
And like everything I do is in style  
That's what your love does for me  
That's what your love does  
That's what your love does for me
