What's it like to feel so just with your self-serving convictions?
Climb down from your high horse
You are worthless, yet still, you can't even do that right
Don't want the things you have but you hate the things you like

You're always selling things that you've never owned yourself (2x)

How long can you fake this?!
My my you're so damn shameless (2x)

Nice teeth, who'd have thought it'd be so hard to come by
They like to hide behind other peoples' words
You never know where to call home your life's a bit crazy
Heart's always on loan
You're somewhere in between, homeless and a traveling salesman

You're always selling things that you've never owned yourself (2x)

How long can you fake this?!
My my you're so damn shameless (2x)
Living the lie, living the lie, you're so fake (2x)

F-A-K-E! (6x)

How long can you fake this?!
My my you're so damn shameless (2x)
Living the lie, living the lie, you're so fake (2x)

How long can you fake this?!
