Rise up!

We are surrounded
Got our backs against the wall
This ground was hollowed
Now it's just cushion for the fall

Rise up like a phoenix from the ashes
We need to rise up like a phoenix from the ashes

Come on

Hey! Stand up and fight with me tonight
Can't do this on my own
Hey! Been putting on for far too long
Can't do this on my own

I'll be your beacon
Drug out in the streets and left to burn
Let's not be shy now
Go give them just what they deserve

Rise up like a phoenix from the ashes
We need to rise up like a phoenix from the ashes

Come on

Hey! Stand up and fight with me tonight
Can't do this on my own
Hey! Been putting on for far too long
Can't do this on my own

I'm not scared to die, but I can't do this on my own

Spare us your excuses
Show us no mercy
Spare us your excuses
Show us no mercy
No mercy

Hey! Stand up and fight with me tonight
Can't do this on my own

Hey! Been putting on for far too long
Can't do this on my own
