You don't know my story
All the things that I've been through
You can't feel my pain
What I had to go through to get here
You'll never understand my praise
Don't try to figure it out
Because my Worship
My Worship
Is for real (x2)

I've been through too much
Not to worship him (x4)

Hallelujah (repeat)
My Worship is for real

Thank you Jesus (repeat)
My Worship is for real

Lord I Love you (repeat)
My worship is For real

Your so worthy your worthy
my worship is for real(x4)

Yes (repeat)
