Here she comes again  
Must be your favorite sin  
Tell me something anything  
Where you been?

Why should I be the last to know  
Wrapped around my stereo  
I guess I'm wrong for hanging with you  
I just wanted to hear

You're the loudest thing  
I will hear you say  
You're singing

Say you did bum the mellow  
Whatever that means today  
She got new pumps, a porsche  
Silk covered pillows, a beautiful kind of pain  
That just changes everything  
Here's your good damned diamond ring  
I guess I'm wrong for hanging with you  
But I just wanted to hear

You're the loudest thing  
I will hear you say  
You're singing  
You're the loudest thing  
I will hear you say  
You're singing

When it comes to push you push  
You take the cake baby  
You push

You're the loudest thing  
I will hear you say  
You're singing  
You're the loudest thing  
I will hear you say  
You're the loudest thing
