Get it!

We party people
We party hard
Let me show it
So live it large
Turn up your speakers
So we can be
Dancin' free, free, free, free, free

We party people
We party hard
Let me show it
So live it large
Turn up your speakers
So we can be
Dancin' free, free

You can find us in the club
With our hands up in the air
Showin' everybody love
Live it up ;ike we don't care
Everybody say...
EH! (x18)

We ride that boom boom
We ride it hard
That 808, my superstar
And we want it
No second chance noobs
Baby lets dance, dance, dance, dance, dance

We ride that boom boom
We ride it hard
That 808, my superstar
And we want it
No second chance noobs
Baby lets dance, dance

You can find us in the club
With our hands up in the air
Showin' everybody love

Live it up ;ike we don't care
Everybody say...
EH! (x18)

You can find us in the club
With our hands up in the air
Showin' everybody love
Live it up ;ike we don't care
Everybody say...
EH! (x18)
