[Pitbull]

Havana Brown

Red One

Mr. WorldWide

From Miami, Morocco, to Australia, to the world

[Havana Brown]

Run em' like run em' run em' WHOOP

Run em' like run em' run em' WHOOP

[Havana Brown]

When the sun goes down, down, down, down

Boy are you afraid of the dark? (dark)

And when the lights go out, out, out, out

Tell me do you know where to start? (start)

And when the bass gets loud, loud, loud

That is when I feel a part

aaaaahhhh

And when the world sleeps sound, sound, sound

Well the sound is the key to my heart (heart)

[Havana Brown]

We run, yes, we run the night (ni, ni, night)

We run, yes, we run the night

We, we, we run, we, we, we run (run)

We run, yes, we run the night (the night)

Run em' like run em' run em' WHOOP

Run em' like run em' run em' WHOOP

Run em' like run em' run em' WHOOP

[Pitbull]

From the bottom of the map (Miami)

To the land down under (Australia)

You feel my draft, see my vision, and hear my hunger

As my money gets older, their's get younger

They sell their soul, but the devil knows

I have no number

I'm global, baby

HEY!

Official baby

HEY!

Go, go, baby
HEY!
Oh, oh, baby!
HEY!
No, no, baby!
HEY!
Yeah, yeah, baby!
HEY!
Now jiggle it, baby
Let me tickle it, baby
I know I'm lost
It's gonna be hard to save me
I'm sorry that's how Dade county raised me
Ya heard me right
We run the night
Now fuckin' pay me

[Havana Brown]
We run, yes, we run the night (ni, ni, night)
We run, yes, we run the night
We, we, we run, we, we, we run (run)
We run, yes, we run the night (the night)

Run em' like run em' run em' WHOOP
Run em' like run em' run em' WHOOP
Run em' like run em' run em' WHOOP

[Havana Brown]
Feel it like a rush, rush, rush
Brushing past me all over my skin (skin)
I can't get e'nough', 'nough', nough'
Cause the beat keep pulling me in

Takin' me so high up, up, up
A place that I've never been
aaaaahhhh
Party, party all night, night, night
Sleep all day then do it again (again)

[Havana Brown]
We run, yes, we run the night (ni, ni, night)
Run em' like run em' run em' WHOOP

We run, yes, we run the night
We, we, we run, we, we, we run (run)
We run, yes, we run the night (the night)

Run em' like run em' run em' WHOOP
