

## Hope For The Dying "Vacillation"

I'm down on my knees  
What lay before me but ruin and misery  
Now in deep reflection I see  
That we are solely to blame  
Imprisoned, our own words  
Separate us from our hearts  
We longed for, something more  
So we sacrificed it all  
Bathed in doubt I scream  
Should this fate befall me  
I surely was pure in deed  
Or am I rightly  
Placed in these guilty chains  
Face to the earth in shame  
In my disbelief  
I tried to flee, but the jury convicted me  
The charges I stand before  
Guilty of searching for something more  
Searching for something more
