"Roll up in the club

All eyes on me..." --> 2Pac

"All eyes on me..."

"All eyes on me..."

"All eyes on me..."

"All eyes on me..."

[Chorus 2X: Hot Dollar]

I told you I had the streets on lock, on lock

Two steppin' with my hand on my glock, hey ("All eyes on me...")

I told you I had the streets on lock, on lock

Two steppin' with my hand on my glock, hey ("All eyes on me...")

[Hot Dollar]

OH, KAY, kid is back

Tell the DJ to rewind the track {*track rewinds*}

All you storytelling emcees need to Fade To Black

I quit freestylin', I get paid to rap ("All eyes on me...")

I'm up in the club, nigga, yeah I got the burner on me

Run up on me and it's gonna be a murder, homie

Up in Quervo 1800

Ma got a big ol' ass and no stomach

I showed her how to shoulder lean, did she do the motorbike

I asked her, "Was it going down?"

Then she said, "Sure, ya right"

Valle

Can I get in my car?

Soon as I close my tab at the bar

[Chorus]

[Hot Dollar]

I'm picture perfect

I paint a perfect picture

Sippin' liquor

Breaking down swishas

The old school Chevelle give these niggas hell

Candy paint drippin', yeah, cause a little mail
Shades thrown in the club even though it's night time
Four dimes I'm shootin', punch a nig'
When it's fight time {*gunshot*}
Tech, my demeanor
Two steppin' with my nina
Only fuck with models
And R&B singers
Yeah
I'm international
Check my passport
But still in the hood
Ducking the tax force
No button-ups
Just white tees
Red monkey jeans
Cover my Nikes

[Chorus]

[Hot Dollar]

Yep
It's the kid with the best flow
Yep, I give it to you kids like I'm Cleflo
Yeah
Call me Hot Dollar, who hotter
You not-ah the new Lambor' covered in blue prada
Yeah, you better get it boy
Put
Shots in your '59 Fiddy, boy
Nah
I ain't no pretty boy
But the rims on the truck sittin' pretty, boy
Hey
I got a new chick
Hey
She sent me off in the new six
She said she usually don't do this
But
She in love with my music
Hey
