My life is a blessing
Your life is depressing
Money more problems
At least I am charging for the stress
I am in love with Luci
So my heart is her possession
When I commence relation
Just important is my progression
I am loyal to this game
Press the charges of my contention
Immaculate conception
It will fuck you if you let it be
Labels play games/gangs
That's why my ...
But the price is right
You can be the next contestant
30 million ain't the same
And it was in 97
So if you want me to play like that boy on social network
Everybody got opinions but not a ...

Nigger I am broken not outspoken ...
Ride in my .. minding my own business
Mother fuck your friendship if we got opposite interests
Grown man grown you are still living off your bitches
If you do .. what's up with your pimping
Hustle nigger
I said I said
Hustle nigger
Marathon continues
You already know
Like I said before
=Yo all niggers are doing 24 we are doing 25
Yo all niggers are doing 7 days a week
We are doing 8
Hustle in this mother fucker
You already know what it easy
More honey
