I like bitches, that like bitches, that like bitches, that like  
bitches

I like bitches, that like bitches, that like bitches, that like  
bitches

I like bitches, that like bitches, that like bitches, that like  
bitches

I like bitches, that like bitches, that like bitches, that like  
bitches

Look, young hussle on that bullshit  
Hopping at the... burn it with the full clip  
Summer time, all the gangs going back to...  
Fly... On my belt cause half a stack  
I've been bowling, nigga greet till I handle that  
Back for me... Selling candle wax  
I'm the mother fucking truth, nigga that's a fact  
And if I fuck your baby momma, can you handle that?  
Look, the west? Nigga, that's a rap  
You ain't eating with us, you'll have to...  
Struck out nigga, every time you're at the back  
They could take your beat with us with them type of...  
Niggers take it big with us with these type of...  
... Your beeper rough, with this type of...  
Niggas trying to get their license back  
Me, I'm trying to get my... Back  
Niggas couldn't keep the chopper on the riffle right  
I'm a driver and a shooter, still, in spite on that  
Light... Hustle, you might corrupt  
Nightclubs, I know a couple that...  
Try and feel, go to jail, quit the...  
Rhetorically I ask myself what type of life is that  
No, you knew better, but you're subtle  
I stepped it up... double up on my endeavors  
Some broke never, I'm a rich rolling rebel  
Clever is the devil, pull strings like gepetto  
Girl, I've been real from the ghetto,  
You're green like the... your ex hoes can't let go!  
Hello? Hanging up when you say your name  
Playing too much, now I know the game!  
Heartbroken, frank... on that novocaine  
You know this change, but I won't explain, look!

... Flip the blue print that overlay  
Ten thousand cash... Is not overlay  
And I'll be in your city with the... today  
Presidential... with the motor...  
Roll to the bridges, now you know the way  
Run this money marathon that owners pays  
... a real nigger without a golden chase  
And the yellow bone bitch with some dough to paint

I like bitches, that like bitches, that like bitches, that like  
bitches

I like bitches, that like bitches, that like bitches, that like  
bitches

I like bitches, that like bitches, that like bitches, that like  
bitches

I like bitches, that like bitches, that like bitches, that like  
bitches
