4 55 i drive by doin one hundred and i stay blunted  
Cause I do what I need.  
And that's the reason that they love me,  
Cause I've been making money, i got  
The keys to my city!  
It feels good to be on top, I got the keys to the city!  
This is how it feels to be a big shot!

Rebel in this white man's world until they burry him  
Being broke is so un-American,  
That's why I'm screaming all money in till i can't  
4 55 i drive by doin one hundred and i stay blunted  
Cause I do what I need.  
And that's the reason that they love me,  
Cause I've been making money, i got  
The keys to my city!  
It feels good to be on top, I got the keys to the city!  
This is how it feels to be a big shot!
