[Nipsey Hussle - Chorus]

Streets on lock, beemers on stock
bullets bounce back leave the drivers unshot
city on my shoulder, Slauson Ave soldier
so to all my enemies my dead body is a trophy
talking bout trophies I think I deserve one
hotter n-gga in these streets holla if you've heard one
know a n-gga sick because I'm the sh-t with no
surgeon
and those Roc Nation rumours aint true but yeah I
heard them

[Verse 1]

swervin in that new Lexus with the (?) on the steerin
wheel step (?) got that muthaf-cking purrin'
one things fo sho 2 things for certain
West coast Nipsey Hussle Game over closed curtains
in my pursuit of happiness I made the cash double
and introduced Italian shoes to German gas peddles
like Gucci's and Prada's, here's Benz's and
beemers
hold money in don't let materials come in between us
I know they hoping they could be a method big (?)
but I got Lawyers paid up above my last features
I single handedly became the man in my preaching
you would think it was crime how they witnessed my
genius

[Chorus]

streets on lock beemers on stock
bullets bounce back leave the drivers unshot
city on my shoulder, Slauson Ave soldier
so to all my enemies my dead body is a trophy
talking bout trophies I think I deserve one
hotter n-gga in these streets holla if you've heard one
know a n-gga sick because I'm the sh-t with no
surgeon
and those Roc Nation rumours aint true but yeah I
heard them...

[Verse 2]

...swervin in that black beemer with the button press

curtains
say go up and she go down and serve a n-gga like a
servant
pull it out her mouth and she gon ride it like a surfer
phone ringing she pick up and tell her man she working

slurpin Â' everything a -gga got to offer
IÂ'ma f-ck once and IÂ'll be off her
onto bigger badder things like the dollar
amount that Epic want versus what Def Jam offer
