[Chorus: Nipsey Hussle]

Streets on lock, beemers on stock  
Bullets bounce back leave the drivers unshot  
City on my shoulder, Slauson Ave soldier  
So to all my enemies my dead body is a trophy  
Talking bout trophies I think I deserve one  
Hotter nigga in these streets holla if you've heard one  
Know a nigga sick because I'm the shit with no surgeon  
And those Roc Nation rumours ain't true but yeah I  
heard them

[Verse 1:]

Swervin in that new Lexus with the [? ] on the steerin  
Wheel step [? ] got that motherfucking purrin'  
One things fo sho 2 things for certain  
West coast Nipsey Hussle Game over closed curtains  
In my pursuit of happiness I made the cash double  
And introduced Italian shoes to German gas peddles  
Like Gucci's and Prada's, here's Benz's and beemers  
Hold money in don't let materials come in between us  
I know they hoping they could be a method big [? ]  
But I got Lawyers paid up above my last features  
I single handedly became the man in my preaching  
You would think it was crime how they witnessed my  
genius

[Chorus:]

Streets on lock beemers on stock  
Bullets bounce back leave the drivers unshot  
City on my shoulder, Slauson Ave soldier  
So to all my enemies my dead body is a trophy  
Talking bout trophies I think I deserve one  
Hotter nigga in these streets holla if you've heard one  
Know a nigga sick because I'm the shit with no surgeon  
And those Roc Nation rumours ain't true but yeah I  
heard them...

[Verse 2:]

... swervin in that black beemer with the button press  
curtains  
Say go up and she go down and serve a nigga like a

servant

Pull it out her mouth and she gon ride it like a surfer  
Phone ringing she pick up and tell her man she working  
Slurpin ' everything a nigga got to offer  
I'm a fuck once and I'll be off her  
Onto bigger badder things like the dollar  
Amount that Epic want versus what Def Jam offer
