{Intro: Aaliyah}
{Sample from "One In A Million"}

Love it Love it
Love it Love it
Love it baby, Love it baby (Love it baby)
Love it baby, Love it baby (Love it baby)
Love it baby, Love it baby (Love it baby)
Love it baby, Love it baby (Love it baby)

{Verse 1: Iggy Azalea}

I know you want it
So why prolong it?
Perfect time right now
Gimme that look, I'm a hop up on it
Iggy in that zone
And we all alone
Whatcha waiting on
Lot of room back here, how bad you want it?
Back bone, back on, gonna back that to my back gone
Back strong, back back back my apple, not no iPhone
Backseat, that's our horny ecstasy, popping gon'
already see
So there we be, we feel the heat, I'm telling he
Here we go, up and down to the beat
Never caring if they peep 'cause the windows fog
Gotta get it when I get it, get it right, get it good
Get it good while it's good, it's the shit for all
I don't really do this with all
But the way you touch me, make my dress come off
Drop get you rocking then the top come off
When my top come off then we bring it hard

Chorus
I want my back gone
Can't wait to get that home
I want that (backseat trill shit)
I want that (backseat trill shit)
(4x)

{Hook: Aaliyah}
{Sample from "One In A Million"}

I'll give you anything you want from me,
Anything thing you want,
Anything you need,
Anything your soul desires.
Ooooh. (I want that)
(2x)

{Verse 2: Tupac}
{Sample from "How Do You Want It"}

I Love the way you activate your hips and push your ass
out
Got a brotha wantin it so bad I'm bout to pass out
Wanna dig you, and I can't even lie about it
Baby just alleviate your clothes, time to fly up out it
Catch you at a club, yo hips got me fiendin
Body talkin shit to me but I can't comprehend the
meaning
Now if you wanna roll with me, then here's your chance
Doin eighty on the freeway, Catch me if you can
Forgive me i'm a rider, still I'm just a simple man
All I want is money, fuck the fame I'm a simple man
Mr. International, playa with the passport
Just like Aladdin wish, get you anything you ask for
It's either him or me the champagne, Hennessey
A favorite of my homies when we floss, on our enemies
Witness as we creep
Your body is bangin baby I love it when you flaunt it
Time to give it to daddy Sugga now tell me how you
want it

{Pre-Chorus: Iggy Azalea}
I want that...
Back bone, back on, gonna back that to my back gone
Back strong, back back back my apple, not no iPhone
Backseat, that's our horny ecstasy, popping gon'
already see
So there we be, we feel it, yea I'm telling he

{Chorus}

I want my back gone
Can't wait to get that home
I want that (backseat trill shit)
I want that (backseat trill shit)
(4x)

Love it Love it

Love it Love it
Love it Love it
Love it Love it
