I tell a bitch Iâ€™m bossing
So make ya offer, if itâ€™s money weâ€™re talking
Man step in my office
Promoters calling me often
From the Bay out to Boston
And overseas they know what itâ€™s costing
Bitch Iâ€™m bossing!

I make rainy days, itâ€™s a drought for you
Yelling cruise on my attitude
Iâ€™m a boss bitch, I let you spread the rumors
Yeah you talking shit, but not an ounce is true
Million dollar misfit, my money patting all over the
latest
Like thousand dollars,
My dough running like a broken faucet
Iâ€™m the land lower, youâ€™re the housing project
Yeah, you drop too, making bank deposits
Crazy money, insane asylum
Boss Chase, got a text finding
And then I blow the rest, my name is Saint shopping
Answer them germanine hype
Changing your coat with Â… dollars
Itâ€™s Iggy bitch, and this boss shit
Where the pounds at?
No Â…

I tell a bitch Iâ€™m bossing
So make ya offer, if itâ€™s money weâ€™re talking
Man step in my office
Promoters calling me often
From the Bay out to Boston
And overseas they know what itâ€™s costing
Bitch Iâ€™m bossing!
