Look-look-looking up north why you're touching down  
south  
sayin where I want it so you're taking me out,  
I'm looking up north why you're touching down south  
muah, say it where I want it so you're taking me out  
I'm going going going going going down south  
I'm going going going going going kiss that mouth  
I'm going going going going going down south  
I'm going going going going going kiss that mouth  
Kiss that muah, muah, muah  
Kiss that muah, muah, muah  
Kiss that muah, muah, muah  
Kiss that muah, muah, kiss that

Way down you kissed it, this pink more lipstick  
like lipgloss when is sticky and no dish box like iggy  
I'm getting here with my shay time  
when you head over here see wake on  
got it's face looking no painted on  
when you done getting this face on  
but they no returning the favor  
when you get dump put your name on this wave em  
making the statement, bear how you ate this  
spend and put it on the.  
I'm giving to it no chaser, but this\*\* no rap.  
.you fades and braves, it really don't matter this pussy  
gonna drip on them locks  
then hello kitty no pencil pat, this pussy me like is send  
so down  
I got this tongue shining call it mister clean  
is like listerin when he.  
I got these girls callin on missions now  
when they say they mad 'cause they missin now  
but I'm verifying his face cold and they say love but  
when you're kissing now

Look-look-looking up north why you're touching down  
south  
sayin where I want it so you're taking me out,  
I'm looking up north why you're touching down south  
muah, say it where I want it so you're taking me out

I'm going going going going going down south  
I'm going going going going going kiss that mouth  
I'm going going going going going down south  
I'm going going going going going kiss that mouth  
Kiss that muah, muah, muah  
Kiss that muah, muah, muah  
Kiss that muah, muah, muah  
Kiss that muah, muah, kiss that

Jumping up like the mother fucking liquor  
hold me one favor don't do me no favors  
when I get free 80 every time we free 60  
got my owe do calling  
I'm a new do with it  
sold it in the A then we live it to the bay  
pissed up in Texas swear we go bay  
guess.how it taste, I better taste good  
do it now a .I better taste hood  
got me like yeah, I'm Gucci  
.we ain't Louie, no department stores I mean boutiques  
they ain't high class and no stupid  
got that.that chewie, make your man act like a booqie  
you like.imagine I'm smoothie  
'cause see .give me that Pucci  
send me one.fo-fo-follow my legs to my bootie  
so.now do me, do me broke hoes and gand.  
moodie, moodie.why man I'm ruled  
so I drop the top on it to see  
while this tone role on my.

Look-look-looking up north why you're touching down  
south  
sayin where I want it so you're taking me out,  
I'm looking up north why you're touching down south  
muah, say it where I want it so you're taking me out  
I'm going going going going going down south  
I'm going going going going going kiss that mouth  
I'm going going going going going down south  
I'm going going going going going kiss that mouth  
Kiss that muah, muah, muah  
Kiss that muah, muah, muah  
Kiss that muah, muah, muah  
Kiss that muah, muah, kiss that
