Ft. Pusha T

(Chorus)

Put everything in a suitcase one day
And run away to the runway
To find somewhere to lay my heart, lay my heart
If you see me rollin' that's where I'm going
To find somewhere to lay my heart
Home's wherever I lay my heart

(Verse : Iggy Azalea)

You ever start to feel that home wasn't your home
Kinda like somebody made you wear the wrong clothes
What you say ain't gotta be what you made of
Well see your heart don't always match where you
came from
Couldn't see you so they treat you like a misfit
Because your mind clicks in another district
Call you favor they don't know what's inside you
'Cause what's inside justifies what divides you
Searching for that place right where you wanna be
That's really real where it's never full capacity
Roll back and get away ,never come back never
runaway

(Chorus)

Put everything in a suitcase one day
And run away to the runway
To find somewhere to lay my heart,
Home's wherever I lay my heart
If you see me rollin' that's where I'm going
To find somewhere to lay my heart
Home's wherever I lay my heart

(Verse : Pusha T)

They say home's where you hang your hat
So beware of the owner 'cause he bang his gap
And in that shit I push and I clean my set
All over the globe via I rap
And it still ain't enough for the haters
Put on for my city, light it up like it's Vegas

How you frontin' on I lead I'm the greatest
Flow like a butterfly , the porsche ride amazing
I feel like speedracer
My jello's in the Louie Duffle
MCM hold the finna' buckle
Paw, that's what I call an interracial couple
A long whip poppin' tans ,that's a power struggle

(Chorus)

Put everything in a suitcase one day
And run away to the runway
To find somewhere to lay my heart,
Home's wherever I lay my heart
If you see me rollin' that's where I'm going
To find somewhere to lay my heart
Home's wherever I lay my heart

(Verse : Iggy Azalea)

Change my lounge too, and my lattitude
To get an attitude ,the shit granted too
But my mind's gone until my fine home
Then I can get my shine on no rice stones
Then I can get my shine on no rice stones
See you later with my bigz, I'm gone

(Chorus)

Put everything in a suitcase one day
And run away to the runway
To find somewhere to lay my heart,
Home's wherever I lay my heart
If you see me rollin' that's where I'm going
To find somewhere to lay my heart
Home's wherever I lay my heart
